Dr. Kevin Zadai, Instructor

Deliverance Made Easy Level #2

01 October 2023

Another great course worthy of working toward for my Master's Degree in Bible and Theology. I thought it was interesting when Dr. Kevin Zadai said that the enemy that hates God, now hates me, this statement is true, a horrific fact that I learned the soul-traumatizing hard way shortly after I surrendered my life to Jesus Christ in 2015.

Dr. Kevin Zadai also said that you can't send demons into the pit or torment them before their time, however, I had unfortunately once heard another minister on Sid Roth say that you can send them to the pit. But I don't see that minister in ministry anymore, I don't see him anywhere, I don't even remember his name.

At the same time, I liked the idea of cutting off the enemy's ability to operate, and for the saints to be able to break off their communications with each other; by commanding confusion into the enemy's camp.

Concerning the statement about feeding demons, I believe that statement is true. I also liked how Dr. Kevin Zadai spoke out about the unbiblical methods that corrupt ministers use in ministry to get more money from their followers. I also like the exposure of the false prophets in these lectures, and how he spoke about their methods between the witches and prophets.
